Private Music Lessons

Each private music lesson is open to all grade levels and is offered once a week, for 30 minutes. Each costs $30 and is paid weekly, directly to your child's private music instructor, at their lesson. If you make a commitment, understand that even if your child is absent from school or forgets their instrument, music or practicing on the day of their lesson, the teacher has committed that time to him or her.   Be sure to uphold your commitment to her and include payment in your child's folder each week. Please do not send payment to the office. If on the other hand, the instructor is unable to make it during a particular week's lesson, no payment is necessary, unless they are able to make up the lesson at a different time that week.

Here is what we are able to offer your children from our various private music instructors this year.   Please contact the correct instructor with any questions you may have regarding the lessons.

Woodwind, Brass, Percussion: Mrs. Michelle Trost, **toastyfamily@gmail.com**

Piano, Jazz Improvisation: Mr. Parker Story, **pstory98@gmail.com**

Currently we do not have an instructor for the stringed instruments.

The schedule can be very complex as we attempt to schedule each student with the least disruption to instructional times or specials. The quicker we have the information needed on all music students, the easier it is to accomplish with the likelihood that students will be assigned the most appropriate lesson time. We will do our best, but those who sign up first will receive the greatest opportunity for securing the needed slots. Please do not delay.

Thank you for your help!
